INST-549

Printing Spec: PS-001

This instruction sheet is for the Gamber-Johnson Panasonic Toughbook CFH2 Vehicle Cradle.

Gamber-Johnson Part Number: 7160-0349

**These instructions are for the cradle only. For instructions on features, set-up and operation of the Toughbook CFH2 computer, please refer to the manuals provided by Panasonic with the computer.*

IMPORTANT SAFETY INFORMATION for INSTALLERS

Safety is dependent on the proper installation and servicing of this cradle. It is important to read and follow all instructions before installing this product.

To properly install a Gamber-Johnson cradle you must have a good understanding of electrical procedures and systems, along with proficiency in the installation and service of electrical and/or computer equipment.

There are no adjustments required at any time of the mechanical components within the cradle. ***Opening the cradle housing will void the product warranty.***

Product Mounting Disclaimer

Gamber-Johnson is not liable under any theory of contract or tort law for any loss, damage, personal injury, special, incidental or consequential damages for personal injury or other damage of any nature arising directly or indirectly as a result of the improper installation or use of its products in vehicle or any other application. In order to safely install and use Gamber-Johnson products full consideration of vehicle occupants, vehicle systems (i.e., the location of fuel lines, brakes lines, electrical, drive train or other systems), air-bags and other safety equipment is required. Gamber-Johnson specifically disclaims any responsibility for the improper use or installation of its products not consistent with the original vehicle manufactures specifications and recommendations, Gamber-Johnson product instruction sheets, or workmanship standards as endorsed through the Gamber-Johnson Certified Installer Program.
